2010 RAINBOW LANES TOURNAMENT RULES AND REGULATIONS

TEAM CAPTAIN: Read Rules Carefully.

At least two, but no more than three sets of doubles will be bowled on one pair of lanes with singles event first. Bowlers will bowl singles and doubles on two different pairs.

Handicap will be based on previous years highest average composed of 21 games or more. Handicap will be 80% of the difference between average and 210. Summer league average will be used if no winter league average was established. Those having no previous year's average will use highest current average of 21 or more games. It is the bowler's responsibility to furnish the tournament director with this information. Failure to do so will result in the bowler bowling scratch. Entrants need not report previous tournament winnings. All entrants must have a USBC card. Those who do not can buy one the day of the tournament.

A bowler's first round in each event will count towards his or her all events score. If bowling in doubles and singles you must bowl both events.

Substitutions must be made at least 24 hours before scheduled bowling time except in an emergency. Team captain or individual must provide satisfactory proof that an emergency actually exist. No change in the lineup will be made unless request (1) hour before squad time. Transfer of all-events fees must be made before either bowler has bowled.

All cash prizes will be awarded on a handicap basis, except for all events scratch. One prize will be paid for every seven entries in team, double, and singles. One prize will be paid for every ten entries in all events handicap, and in all events scratch. Bowlers can only cash one time in singles. Bowlers can cash more than once in doubles if they change partners. No bowler can bowl more than three times in doubles and singles.

Team captain must fill in every blank space on the entry and list full names of his members in the order they will bowl. Entry fee for team, doubles, singles, and All-Events must accompany the entry blank. No fees will be returned after the schedule is delivered to the printer.

Any entrant who appears to be under the influence of intoxicating liquor, or who willfully delays the normal progress of the game, or whose conduct on the lanes is considered objectionable, shall be immediately removed from the lanes whether a qualified substitute is available or not.

Original score sheet is official. Any obvious errors are subject to change and correction by the tournament manager. The prize list and standings will be held subject to change until 48 hours after the last squad of the tournament has bowled. Tournament manager has final say in any discrepancies.

Teams or individuals failing to appear at their scheduled time to bowl may start in their regular turn, conceding with the rest of the squad, at the discretion of the Tournament Manager. Those who do not show forfeit their place and entry fees.

Teams can cash more than once, but must change at least two members.

Each individual is held responsible for rule violations and is subject to USBC tournament rules. USBC rules and regulations will govern this tournament unless modified by the above rules.

NOTE It shall be each bowler's responsibility to verify the accuracy of his or her average, whether originally submitted by the bowler, their team captain, or others. Failure to use the proper average or make a correction up to completion of the first game of a series shall disqualify score if submitted average is lower than actual average.

ALL PRIZE MONEY WILL BE PAID NO LATER THAN 30 DAYS AFTER THE LAST SQUAD BOWLS.

TOURNAMENT MANAGER HAS FINAL SAY IN ALL MATTERS.
